withstanding all these hundreds of years of precedence behind that old-fashioned, backbreaking way of washing with soap, too. Now, why was it? Why is it that hundreds of millions of packages of Pearline have been used in the few years since this

washing-compound was invented? Just Pearline for a month, and you'll see.

It takes away the rubbing, but without any risk of harm. That puts it at the head of every known aid for washing.
